CITY HALL**

Spring Leaf Burning

April 15th through June 1st

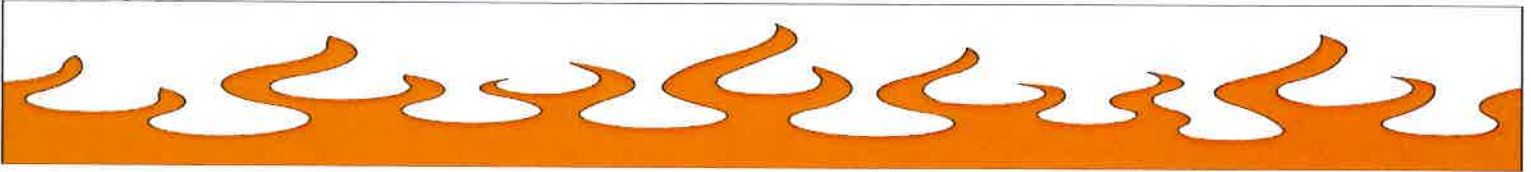

- Daylight hours only
- Not on blacktop streets
- Supervised by an adult
- Under control at all times

Burning Prohibited at all other times!

NO GARBAGE OR TRASH CAN BE BURNED

**If you see someone burning garbage or trash,
call the Sheriff's office: 831-1375**

FIRE PITS

- Fire rings cannot be closer than fifteen (15) feet to any building.
- Fire rings cannot be bigger than three (3) feet in diameter.
- There must be a buffer zone that is five (5) feet in diameter outside the fire ring. This buffer zone must be composed of non-flammable materials.
- That means it requires an area of eight (8) feet in diameter for the fire ring and buffer zone. The buffer zone can be grass if mowed properly.
- The buffer zone cannot contain tall grass, brush, weeds, wood or anything flammable.
- Only wood can be burned in the fire ring/fireplace.
- The flames cannot reach a height of more than three (3) feet.
- The fire must be attended by an adult at all times until extinguished.
